We are a Sole Proprietorship firm engaged in trading and exporting Compressed Air Products. Our range is appreciated for its features like easy operation, high performance, longer service life and low maintenance.

About Us

Established in the year **2008**, “**Vivek Engineers**” is a force to reckon with, when it comes to trade and export a flawless range of **Compressed Air Products**. We possess sound understanding of over 16 years in the field of Automation with Pneumatics. Moreover, we are also considered as one of the prime names engaged in offering our clients with Industrial Automation Services. Considered as immediate solution provider, we strive hard to offer services as per the well-defined parameters. Our visit to clients' site from all industrial segments has resulted in gaining a fair experience of marketing automation products.

Our organization is aware of most of the applications using pneumatics. We have successfully created a base of associates that is spread across Gurgaon, Pune, Aurangabad, Hyderabad, Chennai, Coimbatore & Bangalore. Moreover, our well-known distribution network assists us in catering best in class products to our vast client base across the **Indian Subcontinent**. Meticulous efforts of our team have helped us in reaching the prospective clients within the shortest time span. Our success and growth in the industry is attributed to the enlightening guidance of our mentor, “**Mr. D. M. Phaharaj**”. The way he provides support and suggestions has led us to the glorious path of triumph. His acumen has helped us carve amiable relationships with the names like **Tata, Mico, ABB, JSW** and **ITC....**
