About Us

Founded in the year **1979**, **Vora Brothers** is a well known **Manufacturer, Trader, Supplier, Distributor & Importer** of a wide range of Inorganic Chemicals. Our offered products are **Acetates, Sulphates, Chlorides, Fluorides, Nitrates, Phosphates, Carbonates and Chromates**. In addition, we offer Barium Acetate, Calcium Acetate, Aluminum Sulphate, Ammonium Chloride, Sodium Fluoride, Aluminum Nitrate, Barium Nitrate, Mono Ammonium Phosphate, Di Ammonium Phosphate and Potash Alum. Known for pure and accurate compositions, these products are widely demanded in agriculture, rubber, glass, electronics and textile industries. Supported by skilled workers, we are able to offer best quality products in an efficient manner to the customers. Being quality conscious enterprise, we never compromise with the quality and hence all the products ensure safe & pure. By providing quality assured chemicals at minimum prices, we are gaining excellence in our respective field. Our spacious warehousing facility also helps us to store the consignments in a systematic manner. Apart from this, our logistic personnel ensure that the orders are supplied to the customers' premises within the specified time-frame. Under the inspiration of **Mr. Ajay Vora**, we have been able to establish a distinguished position across the national market. It is due to sound knowledge and vast experience; we have achieved a...
