About Us

There is a very thin line between the able and the disabled. But the very thin line becomes a decisive factor of one's being. We at V-Rehabfullon have identified the need to bridge the gap between the two by considering it as our prime motto. Manufacturing all kinds of Prosthesis, Orthosis, Spinal Orthosis, Modified Shoes and Postoperative Splints by scientific methods, we take pride in the fact that we are well equipped in dealing with all kinds of Advanced Modular Prosthetic System and Orthotic System.
