About Us

Vriksham Coirs established in the year **2015** as one of the leading companies in the market. The ownership of our corporation is **Partnership**. The headquarter of our company is located at **Coimbatore**. We are efficiently involved in **manufacturing** a wide range of **Coconut By Product, Coco Peat Pellet, Coco Coir Husk Chips, Coconut Coir fibre Bale and many more**. Offered products are extensively appreciated amongst customers for their exceptional quality and most competitive prices. Vriksham Coirs is a largest producer of natural coconut and coir products for the horticulture sector. Our management team has years of experience in the coir industry. Our factory is located near Pattukottai, and Pollachi the heart of the coconut triangle region in India. We make use of the most modern technologies and machines along with high quality raw material to produce different blends of coir products. We work closely with our customers to ensure that they receive the best quality products, and to provide them with a comprehensive after-sales service, including full technical support. We supply coco peat blocks and coco chips washed, unwashed or buffered. We can even supply any type of mix you choose to receive it in the form of a compressed block. We guarantee a pure and clean product. We carefully supervise all our production process and our products are therefore free of weed.
