About Us

Welclad is identified as an eminent manufacturer & exporter of a striking collection of decorative home furnishing accessories, Woven & Knitted Garments & fashion accessories. Welclad is run by experienced and highly technical personnel of the trade. They have worked with world's reputed buyers and are well versed with their working systems. It was established in 2002 and has achieved an annual turnover of more than 10Crores. Our ideal of Growth through Vision, Aim and Achievement helps us to strive for the best and provide complete customer satisfaction.

A perfect mastery in weaving garments by using various techniques of production helps us to produce an extensive collection available in different eye catching colors and designs. Our well laid manufacturing set up supported by our experienced team has helped us in designing and manufacturing a large collection that met the needs of a large number of clients. To support our production processes, we have a well equipped manufacturing unit fitted with latest machines and technology.
