About Us

Established in the year **1987**, we, **Wellcut Tools (India) Pvt. Ltd.**, are the **Manufacturer and Exporter** of **HSS Taps, Cutting Tools, HSS Round Die, Metal Fasteners, Threading Tools, Tangential Chasers and Threading Machines**. We are highly acclaimed for our flawless design and high-degree of tolerance products, our machines are robust and rugged. We ensure that the raw materials we use for manufacturing are pure and quality tested. Known for cost-effectiveness and high quality, our products are low on maintenance. Our engineers strive towards maintaining durability and longevity of machines by understanding the demand of clients and fabricating machines that suit their requirements. We are continuously engaged in manufacturing excellent products at our sprawling and state-of-the-art manufacturing unit. Equipped with latest machinery, our sophisticated plant is well maintained by highly qualified engineers. Our experienced and skillful staff consistently works towards enhancing the quality and durability of products.

With the backing of our mentor, **Mr. Balihar Singh**, our customer centric approach and technology helps to fulfill our mission to achieve excellence by delivering quality product, service, and high performance at competitive price. The quality of the various type of tools which have been supplied by Wellcut have been well accepted in domestic market as well as by the customers in advanced countries like...
