About Us

Established in the year **1973**, we, “**Wellknown Beco products, Ashoka products**”, are a preminent manufacturer, supplier, and exporter of a high quality range of **Sewing Machines & Parts**.

Manufactured using latest & advanced technology, these products are in compliance with all the industrial standards & norms. Before the final dispatch, our quality controllers ensure to test these products under several stringent tests, so that they can deliver defect free range to our esteemed clients. These machines are manufactured in our state-of-the-art infrastructure, which is well equipped with latest & requisite machines. Apart from this, our team of best minds & skills enables us to deliver our products at industry leading prices within the set time frame. Furthermore, we accept payment from our customers in various modes such as cash, DD, LC, and cheque, for their hassle free monetary transactions. These factors have enabled us to carve a respectable niche in the highly competitive market. Under the insightful guidance of our mentor, “**Mr. Kuldeep Singh**”, we have been able to stand in good stead with our customers as far as possible. It is primarily because of his wide industry experience and in-depth knowledge that we have been able to pave our way to success and soared to greater heights. We recognize that a considerable chunk of our success traces its origin to his passion & dedication.
