We are one of the foremost manufacturers and exporters of **Aerosol Maintenance Products, Anti- Seize Compounds, Anti – Rust** and many more. Our gamut of product is extensively used in chemical, engineering industry and others.

About Us

Welwin Labs began their magnificent and ambitious journey in the **year 2007** under the awesome leadership of their founder **Mr. C.B. Singh**. Within this very short period we have made a niche for ourselves. Since our inception, we have been manufacturing **Aerosol Maintenance Products, Industrial Degreaser Cleaners, Anti Seize Spray, Anti Rust Spray, Oil Additives, Fuel Additives, Pastes & Compounds** and many more. These are widely used in chemical, cosmetics, processing and engineering industry.

We not only manufacture standard size of our range but also customize them according to the specification given by the customer. Apart from this we also package consignment as per the requirement of the customer.

Our extensive range of product is promptly conquering new heights with every passing day not only in India but all over the world. We have a long list of satisfied customers which is scattered all over the country and abroad. Our overseas clients include customers from North America, South America, Western Europe, Eastern Europe, Eastern Asia, Southeast Asia, Mid East, Africa, Oceania and many more.
