<https://www.indiamart.com/wintech-paints-chemicals/>

Our company is leading manufacturer and supplier of optimum quality and wide range of Synthetic Enamels, Epoxy Paints, Stoving Primers and others. Available with customization facility, our range is widely in demand by clients.

About Us

WINTECH PAINTS & CHEMICALS (Pvt) LTD was started as a **manufacturer and supplier** of an extensive range of **Synthetic Enamel Paints, Epoxy Paints, Polyurethane Paints, Heat Resistance Paints, Chlorinated Rubber Paints, Ethyl Zinc Silicate Primers, Air Drying Primers, Stoving Primers, Epoxy Primers, Polyurethane Primers, Stoving Enamels and Paint Thinners**. Best quality chemicals and resins are used to formulate all these products, which make them widely acceptable in the market. Also, the raw material used to manufacture our range is procured from certified and experienced vendors of the market. Keeping in mind the specific requirements of the customers, our products are manufactured in extensive assortments. We are offering our products to the customers, at market leading prices. Customers appreciate our products for their impact resistance, heat resistance, chemical resistance and many other distinctive features. We strongly believe in the continuous enhancement, therefore strive to incorporate up-to-date technological advancements to our product range. Due to this, we have established a remarkable position in this competitive and challenging industry. Furthermore, we follow ethical business practices and offer our products via easy payment modes, thereby enhancing our capability of satisfying large customer base.
