We are engaged in offering a wide range of **Cargo Agent services, Courier Services, Logistics & Parcel Services** to our valuable clients. Our experts deliver the complete range to our clients within **fixed time period**.

About Us

We, **Wiseman Airexpress**, incepted in the year 1999, is engaged in offering **Courier Services, Logistics & Parcel Services**. Our company offer services like **Cargo Agents, Courier Services** and **Logistics Solutions**. Our company is supported by our **logistic experts** who have a vast knowledge and have **expertise** in their field. These experts take care that all the goods and documents are packed using **high quality raw material**. We ensure that the parcels are properly packed and is not destroyed while transportation. Furthermore, these experts take special care of the **delicate and brittle items** so that the parcel is delivered to our clients without any damage. We have a **wide distribution network** among our clients. Our company has a good relationship with worldwide **air express companies**. Due to our **honesty** and **high efforts**, we have **huge number of clients** all over the world. Furthermore, we offer these services to near about **200 destinations** in the world. Under guidance of our insightful and able mentor **Mr. Mahavir Raj Purohit**, we have been able to set a **benchmark** to achieve in the industry and crafted a **niche** for ourselves. He has set standards in the sphere of **international courier operations** with the support of **highly qualified professionals**. Beneath his supervision, we have become as one of the...
