About Us

Established in the year 2017, at Ghaziabad, Uttar Pradesh, India, we, “**XElectron Technologies Pvt Ltd.**”, are engaged in **manufacturing**, **exporting**, **trading** and **wholesaling** of a wide range of **Mobile Phones**, **Digital Photo Frames** & **Pen Drive**. These products are sold under the brand name of '**X Electron**' and known for features like **high resolution display, optimum brightness** and **clear representation of digital pictures**.

Our professionals are well aware of the upcoming technology and evolving market trends which makes them proficient in manufacturing advanced products. They are further supported by our world class factory, established in **5,000 sq. mtrs.** of area. Owing to our total quality management system, we are known to offer products in compliance with defined industry standards. Our ethical business practices, competitive pricing policy and client centric approach are some of the added advantages which one can experience in doing business with us.

The offered products are extensively used in **Housing Board Projects, Group Housing Complexes, Educational Institutions** and **other projects**. Our mentor, **Mr. Gagan Sharma**, has been guiding us towards a commendable position in the industry, ever since our inception. His rich industry experience and sound domain knowledge has also helped us in meting clients' requirements in a stipulated time...
