<https://www.indiamart.com/yak-steel-center/>

We are one of the renowned and preeminent traders and suppliers of a wide range of Iron & Steel Products. It is widely appreciated for its dimensional accuracy, corrosion resistance, long service life and smooth finish.

## About Us

Established in the year **1980**, we, '**Y. A. K. Steel Center**', are engaged in manufacturing and supplying a wide range of cost-effective **Iron & Steel Products**. We procure these qualitative products from some of the renowned vendors of the industry. They manufacture these using high grade steel and iron with the help of advanced technology. The range of our products is highly demanded by the clients for its dimensional accuracy, corrosion resistance and reliability.

Furthermore, the range of our sourced products is in compliance with the international quality standards. The tensile strength and corrosion resistance of these products make these highly demanded by the clients.

We have a spacious warehouse that aids us in storing the procured range of products in an organized and safe manner. Our team of diligent professionals checks the quality of our the procured products on various quality parameters to gauge its quality. Moreover, we make sure to deliver these products within the stipulated time frame to the customers using wide distribution network. The range of our products is also offered to the customers in customized packaging to make sure that it is reached at our customers' end in safe conditions.

Under the able guidance of our mentor '**Mr. Faisal Iqbal Memon**', we have occupied a formidable position in this ultra competitive market. His years of experience, in-depth knowledge and fabulous business acumen have enabled us...
