<https://www.indiamart.com/yashdeepenterprises/>

We are a renowned Manufacturer, exporter and Supplier of optimum quality range of Coir Mattress, Coir and Foam Mattress & Polyfiber Bolsters. The offered mattresses are highly acknowledged for high comfort and light weight.

About Us

We “**Yashdeep Enterprises**” incepted in the year **2003** are a foremost **manufacturer, exporter** and **supplier** of broad array of **Coir And Foam Mattress, Black Cotton Mattress, Coir Mattress, Baby Mattress, Bed Pillows, Poly Fiber Pillows, Poly Fiber Bolsters**, etc. Under the enthusiastic direction of our proprietor “**Mr. Sanjay Bora**”, we have gained a strong foothold in this domain. His professional approach has enabled us in gaining huge clientele across the nation. Situated at **Pune (Maharashtra, India)**, we are supported by huge infrastructural base that encompasses functional units such as procurement, production, quality testing, research & development, warehousing & packaging and sales & marketing. All these units are armed with all the vital machinery, equipment and tools allowing us to produce wide range of mattress. In addition to this, all these functional units operate under the supervision of adroit professionals. All our products are marketed under the brand name “**Yashdeep**”.

Levering on defined quality standards, our production team precisely design the offered product range using top-notch quality basic material and sophisticated technology under the supervision of quality controllers. The offered array of products is highly appreciated in the market for attributes such as high comfort level, optimum softness, easy to wash and light weight. Also, before delivering...
