We are manufacturer and also a leading service provider of digital textile printing services of polyester and cotton fabrics. We are manufacturer of customize digital wallpaper and canvas printing.

## About Us

Established in the year **2003**, we, “**Yash Digital**”, are one of the prominent organizations engaged in manufacturing, supplying and exporting a wide assortment of **Digital Textile prints**. Our range consists of , **SMD Module** and **Strip** and service provider of Digital Textile Printing services. We are backed by modern manufacturing facility, which is equipped with all latest machines, tools and technology that are required for executing production process smoothly and accurately. To know the requirements of the clients, our team works in close coordination with them. We provide customization to our clients as per the specifications detailed by them. All our efforts are directed towards achieving complete customer satisfaction by fulfilling their requirements. Further, we export our range to **Indian Subcontinent**. We have carved a niche for ourselves in the market, because of our mentor, “**Mr. Bipin**”, who has decades of experience in this domain. His business acumen, sound strategies and in-depth knowledge have enabled us to muster a huge client base across the market.
