About Us

Yo-Maxx Enterprises was incorporated in year 2010 and initially it had started as a Super Stockiest of Automobile Batteries in Vadodara, State of Gujarat, India and later in year 2012 it entered into the business of trading activities in Imports & Exports.

Today YO-MAXX offers wide range of products and services, which are being handled by well qualified and expertise team who understands the customer's requirements, accordingly provides the solution for the commitment. Our core focus areas are Africa, Middle East & Latin America.

For serving our clients keeping in a view of better competition, YO-MAXX does the sourcing from India as well as world-wide with systematic study and accordingly suggests perfect source to our buyers or sellers, as per market situation.

Besides trading activities in Imports & Exports, YO-MAXX also offers services to those overseas clients who want to sell or purchase their products to and from India, but need assistance in sourcing the correct product with prices. In this YO-MAXX can act on their behalf and your only cost for such a service is a flat percentage based on the volume of business transacted.
