# Zaara Petrochem Industries

<https://www.indiamart.com/zaarapetrochem/>

Importer, supplier, manufacturer of plastic raw materials like PP, PET, HDPE, LDPE, LLDPE, ABS, PVC etc

## About Us

Zaara Petrochem Industries established in the year 2015, is one of the leading Importer & Manufacturer of high quality plastic raw material, Chemicals & Bitumen. The company has been set up by Javed Malik under the aegis and mentorship of his father, Sabir Malik, an entrepreneur. The Malik family has interests in plastics, real estate, metals and electronics for the past four decades across India and Saudi Arabia. Seeking to expand its horizon, a separate trading company Zaara Petrochem Industries was created in 2013 to deal primarily in the import of plastic raw materials like PET / PVC / PP / HDPE / LDPE. We have a highly diversified polymer product, Chemicals & Bitumen range with specialization in supplying PET, PVC, FO & Waterproofing Solutions. The company's headquarters is at Navi Mumbai, 25 kms from the financial capital of India, Mumbai with branches in Jeddah and Dubai. The company has requisite infrastructure in terms of marketing in including a 10,000 sq ft state-of-art warehousing facility at JNPT in Navi Mumbai. Our products are Highly preferred by mechanical engineers for use in heavy and light vehicles these oils are pure. It is managed by a steadily growing team of 20 highly motivated professionals. The company boasts of efficient systems in the field of material planning, laboratory testing, logistics management and marketing. We believe in Customer Satisfaction by delivering quality products at best rates. We track international and domestic...
