Zenith Marketing

<https://www.indiamart.com/zenith-marketing/>

We are reputed manufacturer, supplier and trader of a large variety of **Packing Products**. Owing to varied quality attributes like versatility, durability, high performance and reasonable pricing our products have huge market demand.

About Us

Established in the year **1996** we “**Zenith Marketing**” are the prominent manufacturer, supplier and trader of a wide range of Packing Products. Our products are renowned for their world-class quality, reliability, strength, durability and are offered at market leading prices. Our products have huge demand in market and have varied packing related applications in Industries. Asbestos Packing acts as an insulating material and is utilized in almost all type of process industries as well as OEM's. It is also used as general purpose gland packing for preventing leakages. The premium quality Brake Lining offered by our organization is used as a friction material in industries. All these products pass stringent quality testing procedures to ensure their compliance with the international quality standards. Our manufacturing and warehousing facilities are located in Ahmedabad, Gujarat. These units are equipped with all modern amenities required in production, testing packaging, inventory management and safety of products. We have support of our highly skilled and dedicated staff which is responsible for general management and operations of these units. Our constant efforts all these years have allowed us to achieve excellence in our products and services. We are the authorized dealer of **CHARMINAR® Asbestos Packing, B.A. Industrial Brake Linings** and **KOHINOOR™ Non Asbestos Packing** for the region of Gujarat....
