About Us

Ours is an exclusive organization which conducts a unique fresher program to help organizations get quality, ready to deploy engineers/non engineers (both on-campus & off-campus) with significantly reduced effort & cost, moreover our training program helps candidates to become employable.

For fresher hiring we add value by doing thorough screening and providing candidates with role specific trainings, in order to improve quality and conversion ratio.

300plus has also developed innovative ways to provide quality solutions to most of the recruitment needs of an organization, we have highly professional and experienced team & we cater to niche IT skills through our extensive network.
