We are one of the topmost traders, distributors, wholesalers, importers and exporters of a wide range of optimum quality Medical Gloves. Owing to their high resistance to puncture and fine finish, these are highly demanded.

## About Us

Known for trading, distributing, wholesaling, importing and exporting a wide range of skin friendly Medical Gloves, **3P INDIA** was established in the year **2012**. Our effective product range is inclusive of supreme quality CPE Gloves, Medical Examination Gloves and Nitrile Gloves. The offered gloves are manufactured in conformity with the FDA set standards using cutting-edge machinery at the ultra-modern manufacturing unit of our vendors. The smooth finish, fine fitting, light weight, and high resistance to wear & tear make these gloves highly demanded across various hospitals. Moreover, these gloves are highly appreciated for their high resistance to chemicals. Procured from well-known, authorized and certified vendors, these offered gloves are available with us at industry leading prices.

Since the inception of our company, we have been backed by an ultra-modern and state-of-the-art warehousing unit. Spread over a vast area of land, our warehousing unit is well-equipped with different tools and equipment required for smooth and streamlined storage operations. Moreover, our warehousing unit is upgraded at regular intervals of time to meet the diverse storage requirements. We have appointed a team of skilled and qualified professionals to manage our warehousing unit in the most organized manner.

We were established as a partnership firm and are currently operating under the expert guidance of our mentors, **Mr. Pavneet Sethi and Mr. Pawan...**
