About Us

Understanding the increasing demand of customers for best quality products, A3 Impex Hardware came into existence in 2001. A3 Impex Hardware is a well known manufacturer and trader of Builders Hardware in Aligarh (U.P). We started our journey in Aligarh as a small scale business under the guidance of our CEO Mohammad Athar and with the help of our professionals, we have now become a dominant force in India. Our products are designed and developed by using state-of-the-art machines and modern technologies. The complete production is done under the supervision of qualified and experienced team, who has in-depth knowledge of the industry.
