Our successful industrial experience enables us to achieve a reputed and reliable name in the market for manufacturing, supplying and exporting an inclusive range of home furnishing products like cushion cover and bedding.

## About Us

Incepted in the year 2006, we, "**Aabis Designs**" are one of the leading manufacturer, supplier and exporter of a comprehensive range of **Home Furnishing Products** like **Cushion Cover, Bed Linen, Beaded Runner And Mat, Curtain Panel, Kids Bedding, Table Linen and Throw**. With our dedication and hard work, we have gained immense popularity and become one of the fastest growing companies in a short span of time. We have garnered a large clientèle across the domestic markets. We manufacture our entire range using high-grade raw materials that are procured from reputed vendors in the market. Thus, our range has gained appreciation for its luxurious feel, durability, reliability, longer functional life and versatile designs.

Our products are largely used in home furnishing industry for various purposes. We are facilitated with an exceptional infrastructure facility and efficient man power to produce a flawless range of Home Furnishing Products. Our professionals also have immense knowledge and vast experience in this furnishing industry, which helps us to cater to the specific requirements of our clients. The manufactured range is further stringently tested by our quality personnel to avoid defects in the process of production. Apart from this, we have an excellent warehousing and packaging unit, which helps us to store and package the products safely. Further, we have the best logistics facility and wide supply chain network that enables us...
