About Us

A new concept in the used car market has been introduced by “**AAKRITI**” in the name and style of **Aakritiworld.com**. **Aaritiworld.com** is a website that aims at providing transparent & fair deals to people who intend to buy or sell used cars. Used cars available for sale are uploaded on this website with their picture, detail descriptions & tentative price. A large number of genuine customers visiting our website have access to all the available range of cars from where they can choose the best one as per their budget.
