Established in **2014**, **Aaparth Engineers Pvt. Ltd.** is engaged in **Manufacturing of Organic Waste Composter and Ace Composter**

About Us

Established in **2014**, **Aaparth Engineers Pvt. Ltd.** is engaged in **Manufacturing** of **Organic Waste Composter** and **Ace Composter**. Under the supervision of **Ajay Prasad**, we have achieved great heights. We take pride in our team which works towards creating engineering solutions that are customer driven and need based. Our financial, social, and environmental mission is to bring economical and technologically superior methods and systems to industries, institutes, commercial & agricultural establishments and municipalities so they can utilize their wastes as energy and nutrient sources and prevent these from either becoming wastes or environmental pollutants and thereby replace fossil fuels to the largest extent possible.
