We are among the notable names that are engaged in the Trading of optimum quality of Medicines that are known for their optimum formulation.
About Us

Established in the year **2004**, we, “**Aar Ees Remedies**”, are listed among the prominent organizations involved in trading of precisely formulated collection of Pharmaceutical products. The offered range is formulated in compliance with the well set medical standards by employing non-toxic chemical compounds, which are supplied by the trustworthy vendors of the market. Owing to this, offered product range is highly acknowledged in the market for reliability, effectiveness, non-toxicity, purity, precise composition, balanced pH and zero side-effects features. Relying on told attributes, this product range is broadly demanded in different clinics, hospitals and medical institutions. Additionally, we are engaged in rendering a quality approved assortment of drop shipping services.

Under the valuable guidance of our mentor, ‘**Mr. MK Mishra**’, we have been successful in scaling new horizons in the industry. His motivating persona, rich experience, managerial skills, in-depth knowledge and fascinating business decisions have helped us to carve a niche for the organization within a very short span of establishment.
