About Us

I am practicing Homeopathic physician and Clinical Hypnotherapist.

Apart from Homoeopathy I practice, Past Life Regression Therapy, Chakra analysis, Fear and Phobia management and Graphology.

At Aarogyam I also conducts workshops on the same.

I also conduct these workshops at various offices including Government sector as well as Corporates.

In Homeopathic practice one often inquires a lot about patient's mental state inorder to prescribe the right drug, and at times this enquiry would often lead to counselling on various issues of their lives.
