

Abacus Desk IT-Solutions Private Limited

<https://www.indiamart.com/abacus-desk-it-solutionsfaridabad/>

Providing various types of web application, web design, logo design, web hosting and search engine optimization services, software solution services, front office solutions services etc.

About Us

Abacus Desk IT Solutions was formerly known as Seagull Raceme. Formed in 2001, the company was then focused on delivering value added enhancements and in functioning as a new age media group. With over 400 top companies across the globe as our clients, we are poised to take the leap to the next levels on the basis of our superior customer service and creative solutions in various areas of IT operations. Our programs are designed to help improve the efficiency and profitability of your organization. Abacus Desk IT Solutions is headquartered in Faridabad, near the national capital Delhi. Our employees are highly trained and experienced professionals from various areas of Information Technology and have the expertise to unlock the best possible solutions for your routine and complex operational problems. They are current with the latest development both in the technical and application area of their specialization. You can be sure that the very latest in technology will be used to help you improve the competence levels of your offerings. Our service include offering exacting solutions in the area of web application, web design, logo design, web hosting, Search Engine Optimization, SEO tools, Web Design Proposal and many others. In each of the service areas, our focus remains on delivering quality and value of the highest order. We understand the need for effective yet affordable business solutions especially in the current...
