About Us

Execution Excellence

- Stellar record of imparting **35,000 man hours** of training for over **7000 students** from **10 countries**
- **30+ corporate companies** and around **8+ institutional clients** have engaged with us successfully. We have worked with various corporate clients like Hindustan Unilever (HUL), MetLife India, Ness Technologies, L&W Constructions, IndPro, etc.
- Experience the depth with **full-time Cambridge Certified trainers**
- Around 3800 students have successfully completed their Cambridge Certification
- More than **90%** of our students have scored **7.00 and above** in the IELTS

Expect Professionalism

- Abel Corp is a **professionally managed and run** company in the field of language and soft skills enhancement training for **over 5 years**.
- Well defined processes and procedures adhering to the **ISO 9001: 2008 standards**.

Our Trainers are Enablers

- Our trainers do not train. They stack the deck so that students have a reason to learn and in the process can't help but learn mainly by teaching themselves. This knowledge then becomes **permanent and cherished** rather than theoretical and bookish.
- Our...
