We “**Abhishek Enterprises**” are a **Sole Proprietorship** based firm, engaged as the foremost **Manufacturer And Trader** of **LT Panel, Distribution Panel, Control Panel, etc.**

About Us

Established in the year **2007** at **Pune, Maharashtra**, We “**Abhishek Enterprises**” are a **Sole Proprietorship** based firm, engaged as the foremost **Manufacturer And Trader** of **LT Panel, Distribution Panel, Control Panel, etc.** Our products are high in demand due to their premium quality and affordable prices. Furthermore, we ensure to timely deliver these products to our clients, through this, we have gained a huge clients base in the market.

Located at **Pune, Maharashtra (India)**, we are bestowed with sophisticated infrastructure that is strategically categorized into production unit, in-house designing unit and quality testing unit. Besides, we also have modern R&D unit. Our production unit is well equipped with hi-tech machines that assist us in attaining urgent requirement of clients within the given timeframe. Our R&D unit is managed by a team of experienced researchers who conduct intensive survey to offer the advanced technology based control panels and automation equipment. It due to our quality testing laboratory, we delivered on zero defect products to our customers.

We have hired a team of experienced and talented engineers who work in close coordination with each other to attain organizational objective. Apart from this, we also have highly experienced quality auditors who test the entire range on well defined parameters to maintain flawlessness in the end product....
