About Us

Established in 2015, Abistar Textile has carved a niche in the realm of manufacturing, exporting and wholesaling an exquisite range of Pillows & Mattresses. The range of products were offer include Cushion Covers, Aprons and Rugs, among many others. While adhering to strict industry guidelines, we utilise latest tools and ultra-modern machinery to manufacture our Home Textiles, which are appreciated all around the world for their level of comfort, durability, supreme embroidery, eco-friendly features and aesthetic value. Our offered products, fabricated with 100% pure cotton, polycotton, linen, rayon, flex and jute, can also be customised in various shapes, sizes and designs, per the requirement of our clients. We export our impeccable range of Home Textiles to various countries around the world.

Our groundwork has helped us attain enormous success. We have a fully integrated textile plant with an in-house manufacturing unit, equipped with latest tools and technology. To increase our production capacity, we are constantly upgrading our machinery and processes. We have established a large distribution channel that allows us to carry forward timely delivery of consignments. It’s due to these principles that we have emerged as industry leaders. Empowered by a team of creative designers and skilful labourers, our products are demanded both nationally and internationally.

The Textile Industry in India is a very vast and competitive...
