Ms. Mehdi, is working as an academic consultant and has the expertise of setting up of new schools with CBSE and International boards. She has been in this field for the last 18 years. Her passion for education is commendable and helps.

About Us

Ms. Mehdi, is working as an academic consultant and has the expertise of setting up of new schools with CBSE and International boards. She has been in this field for the last 18 years. Her passion for education is commendable and helps in taking new initiatives in this field.

She has worked in schools as Principal with IB, CIE and CBSE board. Her extensive exposure to education has made her very instrumental in establishing new schools by guiding the clients in designing of the school building, designing of the furniture, listing of equipment required with their optimum utilisation methods, selection of academic and non academic personnel, framing of the curriculum in respect to co curricular and extracurricular activities, finalizing of books and stationery, setting up the Time Table, framing the roles and responsibilities of the staff members etc. She also guides in getting the affiliation from the different boards.

She is also the resource person for teachers training and gives them hands on experience in teaching.

Image description

Her professional expertise, communicative skills, dramatic and artistic talents are commendable. With knowledge and experience in her field she is successful in motivating her team, always asserting- 'There is no short cut to success.' As an able and charismatic leader, she aims at making her team and the students learn to lead and be good human beings, besides being successful. She is an inspiration...
