About Us

Established in 1998 in Rajkot (India), Active Furniture was started as a small manufacturing unit. Furniture has been the family business since a decade. One thing which is the backbone of the success of this company is the standard of quality of the products and the customer service. We have learnt from our experiences that success, growth and profit come as a result of a satisfied customer and maintaining the quality of merchandise. Customer satisfaction is the main motto of Mr. Dharmendra & Rajendra Ajagiya, director of Active Furniture. Active Steel Furniture is most growing unit of furniture manufacturing in Rajkot
