We are one of the prominent organizations in India engaged in manufacturing, exporting and supplying Screen Printing Machines and Ancillary Equipment. We mainly cater to the publishing industry and are well known for our superior quality.

About Us

Established in the year 2005, **Acuprint** is one of the leading manufacturers and exporters of Screen Printing Machines and Ancillary Equipment which includes screen printing frames, machine printing frames and industrial screen printing frames. Our products are manufactured using premium quality raw material like mild steel and stainless steel. We are engaged in manufacturing a range of world class Printing Machines and Accessories. Our range of Printing Machines includes Semi Automatic Screen Printing Machines (code AP 100), Fully Automatic Screen Printing Machines (code auto print 100) and Semi Automatic Screen Printing Machines (code AP 300).

In addition to this, we also offer Printing Accessories- Treat 100, Printing Accessories- Stretch 150, and Printing Accessories- Expo 100. We majorly cater to the demands of publishing industries. Our range undergoes stringent quality checks, at every level of production, to ensure that our clients get the best quality products.

A sprawling state-of-the-art manufacturing unit operates day and night to produce world class products which are valued by clients across the globe. We also offer customization facilities to meet our customer's specific requirements. We focus on building strong customer relations by providing After Sales Services and responding to client's queries in the least possible time.

The company is headed by **Mr. Milind** Surve who has vast industry experience to...
