Our group of companies is focused on providing high quality resources to top tier organizations. Our management team brings with them extensive experience from diverse industries

About Us

- Consulting (Strategy, IT, ITES, ERP (SAP))
- Real Estate Professionals
- Legal Domain
- Financial consulting

We provide search, attraction, selection & retention services for our clients who are predominantly in the IT, ERP and consulting business. Our primary method of finding talented people is through headhunting. We use high quality systems & processes to recruit the right people which enables us to deliver the best possible solutions to your needs. In partnership with our clients, we use our specialist knowledge and experience to play an active role in all aspects of the recruitment process.

We specialise in providing commercially focused and cost efficient HR solutions for India and US based companies. We possess a wealth of experience in the retail & services, financial services, pharmaceutical, ebusiness, IT & telecom sectors. Our services are undertaken either as a consultancy project, retained service or as an interim assignment either on or off-site.

Of primary importance to us is to learn about your motivations, aspirations, short & long-term objectives. We use this as the basis to provide career advice & support that is focussed on your best interests.

Intricate market knowledge & established relationships within our industry sectors puts us in pole position to facilitate a career move, if it is the most appropriate course of action.
