## About Us

Adarash Milk Products was established in the year 2013. We are the leading Manufacturer, Wholesaler And Supplier of Paneer. Being a quality conscious organization, we are offering a superior range of Paneer. We also have a team of quality experts who keep close eye on the each activity of our organization. Our products are checked at every stage so that the end user get the best. Milk in India is more than just a food item, culturally milk is deeply rooted in the Indian life where, as they say, once flowed the rivers of milk making it available in abundance for one and all.

To ensure the best quality products that meet the functional and nutritional need of the consumer. Our products are precisely checked by our skilled quality controllers on assorted parameters to make sure their quality & longer shelf life. All these attributes assist us in attaining the best position in the industry & in gaining a huge client base across the country. We have a huge experienced team of personnel, who are completely dedicated & committed towards their work.
