About Us

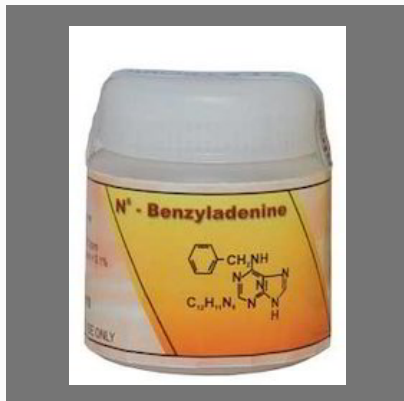

MVK Chemicals Pvt. Ltd. and its group of companies, started this journey, 17 years back. We have Expertise & Experience in the field of Manufacturing, Processing, Contract Manufacturing & Marketing of various chemicals & intermediates under the brand name.

Agro Crops Cultivation has achieved a lot of improvement in the past. This is possible only if there is a best Co-ordination between Crops, Farmers & Consumer Market. To achieve Better Quality & Better Economy, Research & Development is a Constant & Ongoing Process in our Organisation. We have more than 34 branded products for the sale in the open market & some more in pipe line.
