About Us

Aditi Craft is one of the well Known garment manufacturers and Sourcing Company based in Gurgaon in state of Haryana. Established in 2008, currently Company is working for U.K, Denmark and U.S.A, Australia, France and Scotland Buyers. We are specialized in manufacturing and sourcing all kinds of ladies wear like tops, tunics, dress, sleepwear, and beachwear including kaftans, sarongs & bikini. Apart from these, we also manufacture kids wear for children starting from new born up to any age group. We also specialize in high fashion garments like embellishment with metal & glass and various kinds of embroidery like hand embroidery, manual machine embroidery and computer embroidery. Variety in design & color and innovations in style has made us a significant partner with our clients. We have a state of the art manufacturing unit having the latest equipments .Both combined; accomplish each and every requirement of the buyer on time. We have a strong production strength ideally organized while all departments are closely tied up for extending utmost performance to meet the result oriented target. The machines that are being used in making the garments are of top quality which leads to high quality products meeting international standards. Every stage of production is strictly supervised to maintain international quality standards.
