<https://www.indiamart.com/advancestagelights/>

We, **Advance Stage Lights**, are a highly acclaimed **Manufacturer, Trader and Service Provider** of highly efficient and qualitative **Stage Light/curtain, Projector Light, LED Disco Floor Light, Round LED Light** and many more.

About Us

Established in **1998**, we, **Sana Electricals**, are a highly acclaimed **Manufacturer, Trader and Service provider** of premium quality **Stage Light, Projector Light, LED Disco Floor Light, Round LED Light and many more**. The products offered by us are manufactured in compliance with industry specified quality standards using components and raw materials that are certified on their quality. These are manufactured at our modern infrastructure facility by using highly advanced technology. Our products are highly acclaimed for their ease of installation, lower needs for regular maintenance and lengthy working lifespan. These are easily accessible to clients in multiple specifications of shape, size, color and design at leading market prices. Their functioning is tested on various parameters in order to ensure defect free quality and highly efficient functioning. Our products are highly acclaimed for their affordability and efficient performance. Our hardworking professionals strive to make the best products available to clients within the specified period of time. Under the highly capable guidance and leadership of **Mr. Shoyed Ullah Beg**, we have established our credibility and trust through our efficient business dealings. Our ethically driven business practices have helped us become a preferable firm for clients to deal with. The diligence of our professionals has helped us become a sought after firm for clients to deal with.
