About Us

Aero Equip has conceived its business operation in the year **2005** as a **Sole Proprietorship** firm in the industry. We have established our self as a **manufacturer, trader, supplier and distributor** of our entire product range at **Chennai, Tamil Nadu (India)**. Our product range comprises of **Electric Motor, Geared Motor, Electric Water Motor, Metal Gearbox, Construction Equipment** and **many more** products in the list. Our products are manufactured from the high grade raw material and best techniques of the industry. We make our customers satisfied with our product range and services by fulfilling their specific requirements. Our products are light in weight and easy to install. We delivered our products with best packaging solutions. We give extra fine finishing to our product range which makes them look very attractive and impressive and are highly demanded in the market due to their unique features of high durability, hassle free performance and precise designing. **Mr. Thiruvallur B. Palani** is the **Sole Proprietor** in the organization. under his supervision, we have done marvelous job in the industry. He keeps himself actively involved in the company matters along with the company employees. He also helps our employees in their tasks and conduct training sessions for their up-gradation with the latest techniques. He also encourages our employees by consulting them before introducing any policies in the...
