Aeroflex Industries Ltd, established in 1999, is now recognised as the leading SS corrugated hose manufacturer in India.

## About Us

Aeroflex Industries Ltd, established in 1999, is now recognised as the leading SS corrugated hose manufacturer in India. Aero flex Industries Ltd is an ISO 9001-2000 Company certified by TUV NORD, Germany, ISO 14001:2004 by Intertek & CE certified by DNV. Aeroflex Industries Ltd manufactures stainless steel corrugated hose assemblies at an ultra-modern facility in Chal Gaon, MIDC area Taloja, Tal. Panvel, Dist. Raigad, New Mumbai (India), under supervision of well experienced and qualified team. Aeroflex has used state of the art technology with strong emphasis on product quality and customer satisfaction. As a result of continuous improvement in every aspect of business, within a short span, Aeroflex has become one of the most reliable sources of quality metallic flexible hose and hose assemblies both in domestic as well as International market. It has become possible due to Aeroflex ability to meet exact customer requirements and strict adherence to delivery schedule with an individual attention to every customer. A full range of metallic flexible hose and hose assemblies are manufactured in Austenitic steel AISI 304,316,316L, 321 conforming to international quality standards. Our stainless steel hoses conform to BS 6501/ISO 10380 and are manufactured as per type A, B and C flexibility. Aeroflex Quality Assurance Systems at every stage of manufacture ensures consistency of the product from Raw material to finished product. In-house QA Lab ensures product performance as...
