Afifa International

<https://www.indiamart.com/afifainternational/>

We are a known organization in industry engaged in providing an array of products such as **Mens Wallet, Women Wallet, Gents Bag, Women Bag** and many more. We offer our products at very competitive price in the market.

About Us

Commenced our business in the year **1998**, **Afifa International** is engaged in presenting a rich array of leather based products for its customers from across the nation. Our company is having its business premises situated at **Kolkata, West Bengal (India)** and operates its entire business as a **Sole Proprietorship (Individual)** based venture. We are a customer centric firm and are engaged in offering a wide range of products such as **Mens Wallet, Women Wallet, Gents Bag, Women Bag** and many more. Made by utilizing high quality leather sourced from reliable resource of the market, our offered products are in extensive demand amongst our valued customers. Our offered products are rigorously examined on various established norms of industry which help us to develop a trust factor amongst our customers. We ensure timely shipment for offered products and our global packaging standards help us to make our customers feel satisfied of our products quality.

Mr. Adil Parwez is **Proprietor** in the company and is efficiently governing different business operations. He never disappoints our clients and maintains the market standards with the product quality. He is honest with his work and open with team members which create a healthy working environment in the company campus. He makes secure decision for the company that also affects the company employees in a positive manner. It is his farsightedness that has led us to an enviable position in...
