About Us

Incepted in the year **2013 as a Sole Proprietorship Firm**, we, **Agape International Imports & Exports**, have managed to create a distinct name in the market in a small frame of time working as the **manufacturer, exporter, importer and supplier of a hygienically processed and packaged assortment of agricultural food products like Sesame Seed, Dried Dates, Spirulina Powder, Indian Rice, Cooking Spices and various others**. All the products given out by us as our products are quality tested on a number of measures before they are sent out to be delivered to our customers. We package them well so as to preserve their freshness and nutrition value. It is because of our sheer dedication over quality, we have been able to become a hundred percent exporter by exporting all the products that we process. We exports and imports our products in these countires like **Sri Lanka, China and UK**. We have the assistance and support of a team of highly specialist and practised professionals and a well equipped infrastructural unit, since the very start of our being. Extended across a giant area of land, our infrastructural unit is properly facilitated with latest processing equipment required for large scale manufacturing functioning. To add to this further, it is checked at regular intervals of time. We have hired a team of highly experienced machine workers and other following staff to handle variety of machinery at our infrastructural...
