About Us

Our company Agarwal Coal Corporation Private Limited was established in the year 1975. We are a leading importer and exporter of Coal. Our coal is used in various industries for several applications. We have sourced it from the well known and noteworthy vendors of the market who hold rich experience and knowledge in this domain.

We make prompt delivery of the ordered consignments at the clients' premises so as to attain their maximum contentment. Our coal is of the highest quality and features high burning rate with low smoke. Offered coal is available in different packaging options as per the particular requirements of our valuable clients. Moreover, the clients can avail these at market leading prices.
