About Us

1987 is the year that witnessed birth of Agarwal Household Carrier with main activity of Household goods relocation. Time provided with us experience, core competence and confidence.

From those small beginnings, our company has grown and grown and grown. And the growth has been remarkably rapid. What started off as a small business has now become one of India's largest transportation companies. To reflect the vastly increased scope of activities, a suitable name was required. We have renamed our company as "Agarwal Packers and Movers Ltd." Our company runs over 1000 vehicles. Our Pan India presence has been marked by the establishment of 52 Company owned offices which service 1264 locations across the country. And we are expanding.

It was a small beginning with Large vision and drive to excel. Today we are one of the largest logistics and supply chain company. Commensurate with the growth of organization into various verticals it was renamed as "Agarwal Packers and Movers Ltd and today we are proud owner of over 1000 vehicles, 73 companies owned offices, serving 1264 locations PAN India and there is no looking back. We are growing with the blessing of our esteemed customers.

We have travelled path of growth with the help of professional and dedicated team. Creativity, quality, innovations, waste cutting and service with a smile is what drives us towards our customers from all across globe. Today we are the pioneers and...
