We are a well known service provider of event management services for various occasions such as ceremonies catering service, reception parties, marriage parties, conferences, and birthday parties. Our company has achieved distinction.

About Us

Aggrawal Catering & Decorators was established in Noida by **Mr. Nitin** to provide **event management services** for many of our customers in Noida and also in Delhi. We have made ourselves well known in the industry and we enjoy the total support of many of our individual and commercial customers by providing us with repeat orders for such services. We have excellent staff members working with us as cooks, cutters and sweet product makers, skilled and unskilled workers. Excellent food products are prepared by them suiting to the occasion, such as marriage party needs different food items from reception parties. We have good relationship with many wholesalers in the market to provide us with quality products such as rice and grocery so that we can use these to cook super quality food products. Many of our staff members are experienced in their own domain and have the capacity to understand our customers' specific requirement. Accordingly they prepare food items and achieve our customers' total satisfaction. We make sure that each and every individual guest is satisfied with our products and leave the occasion with a sense of happiness in his mind. **Mr. Nitin** is the proprietor of our company and has an excellent record of being an able caterer. He also has a full knowledge of various food items and provides quality suggestions to his cooks in order to make our customers fully satisfied with our services. Our company endeavours to...
