## About Us

We started in the year **2005**, by the name of **Aglo Packagings Pvt. Ltd.** The company is a leading Manufacturer, Supplier, Exporter and Trader of Plastic Cap, Flip Top Cap, Water Bottle Cap, Bottle Handle, Plastic Bottle and many more. We export our products to **Maldives, Dubai, Congo, Angola and Zambia**. Our products are used in various different platforms. Quality has been the trademark of our business entity and hence we constantly strive to deliver the best to our clients, without compromising on quality standards. Our entire assortment of machines and spares is procured from credible vendors. We also have a team of vigilant quality inspectors who undertake strict checking at the manufacturer's premises and thereafter place orders for procurement. The company is managed by dedicated and experienced, **Mr. Sumit Agarwal**. Under his guidance, the company has seen immense growth and development. Therefore, the company is reckoned as the major manufacturer and supplier of Plastic Cap, Flip Top Cap, Water Bottle Cap, Bottle Handle, Plastic Bottle etc. A spacious warehouse is also an important asset of our entity. Our group of directors has in-depth industry knowledge and a complete exposure in the domain and hence they are able to lead the organization efficiently. Our infrastructure is located at **West Bengal**, which is equipped with high tech machinery. Our workforce has a team of highly skilled people who ensure that...
