APC Global is pleased to announce that our office in Shanghai, China is now a full fledged business unit, which has a license to import/export goods in China, as well as deal and work in Renminbi.

About Us

APC Global is pleased to announce that our office in Shanghai, China is now a full fledged business unit, which has a license to import/export goods in China, as well as deal and work in Renminbi. Hong Kong needs little introduction. It is one of the great trading centres of the world—a true crucible of the world's best opportunities. Based in this extraordinarily energetic metropolis is the APC Group, specialising in the pharmaceuticals, chemicals and nutrients sector.
