## About Us

**Lokesh Fish Aquarium** Showroom welcomes all fish keepers! You are just arrived at one of the latest, most entertaining , fresh-water and marine fish showroom which is retailer and whole saller now you can share fish keeping experiences and fish aquarium.

At Lokesh Fish Aquarium, we aim at encouraging people to develop the hobby of Fish keeping. Our aim is not only to provide you with good live stock of fishes and aquarium maintenance equipments in our AGRA fish showroom, but also to popularize the hobby of aquarium or fish keeping.

Watching these exotic colorful fishes swim in a brightly lit glass aquarium in your living room can make you forget all your stress and strain of the day to day life.

Some people have a wrong notion that it takes a lot of time everyday to maintain an aquarium at home. This is not true. All you need is just 10 - 15 minutes in a day to keep your aquarium and the fish healthy and beautiful.

In agra many shop keepers, do not have enough knowledge about aquarium keeping, resulting in common public losing interest in this hobby soon after they start it.

This is the main reason why we at Lokesh Fish Aquarium Showroom came up with the ideas we know about fishes and their well being.
