About Us

Driven by a promise to provide excellent quality and mouth-watering taste, we are established in last five decades in the market with the name of Agrawal Papad Pvt Ltd. After successfully in papad market we start new venture with the name of 420 Namkeen. 420 Namkeen established in 1998, has successfully captured the soul of Malwa culture and the essence of Indore in the taste of variety of 420 Namkeen and sweets. Today 420 Namkeen is one of the distinguished and leading manufacturer and exporters of namkeen (savories) and sweets from India. Traditionally 420 Namkeen has been catering the true taste of Indian snacks to the world prepared in highly hygienic, clean and healthy environment. The recipes are truly authentic made from the best quality ingredients giving you a taste that will linger on in your mind for a long time. Today, 420 Namkeen is a snack food conglomerate that manufactures more then 50 popular products. These products reach taste-lovers in every nook and corner of state today, 420 Namkeen is quoted as one of town's most inspiring scratch -to-riches stories. Not really surprising, as there was no way such good taste could lose. As prior importance is given to maintain quality standards. 420 Namkeen has a dedicated set of staffs who work as an united team under the able guidance and control of the management where efficiency is well reflected. Undue care is taken to make sure that our services reach in time. The manufacturing unit in Indore, is a fully...
