# Ahram Refrigeration & Engineering

<https://www.indiamart.com/ahramrefrigerationengineeringnagpur/>

We are a prominent Manufacturer and Supplier of optimum quality range of Display Counter, Kitchen Heating Equipments, Refrigerator & Freezers, etc. The offered range is designed and manufactured as per the international quality standards.

## About Us

Incorporated in the year **2003**, we “**Ahram Refrigeration & Engineering**” are leading **manufacturer** and **supplier** of qualitative assortment of **Display Counter, Commercial Kitchen Equipment, Commercial Freezer, Sweet Shop Setup, Blood Storage Refrigerator, SS Dining Table, Cold Room, Mortuary Machine**. Under the leadership of our mentor, “**Mr. Rehan Khan**” we have been able to attain maximum client satisfaction. Situated at **Nagpur (Maharashtra, India)**, we have constructed a state-of-the-art infrastructural base that is resourced with advanced production technology. This base facilitates our professionals to design and manufacture complete range of products in adherence to global quality standards. Our infrastructural base comprises various units such as procurement, production, quality testing, sales & marketing and warehousing & packaging. All these units work in cohesive manner to maintain streamline production.

Owing to our quality-driven approach, we have been able to fulfill diverse requirements of our esteemed clients by designing and manufacturing products as per the international quality standards. Our production team makes use of high grade components and advanced technology to manufacture products. The offered product range is highly acknowledged for features like robust construction, hassle-free functionality, corrosion resistance, easy to install and low maintenance....
