# Aiishil International

<https://www.indiamart.com/aiishilinternational/>

We are a renowned firm engaged in manufacturing, supplying and exporting a wide range of Laboratory Equipment. Offered range is used in various labs to test chemicals, electrical and mechanical products.

## About Us

Established in the year **1996** at **Thane**, we, **Aiishil International**, are a leading **Manufacturer** and **Exporter** of premium grade **Laboratory Equipments**. Industrial quality standards are followed during the manufacture of these products at our ultramodern infrastructure facility. These are made using advanced technology and high-quality raw materials. We manufacture a vast range of equipments for use in various areas such as civil engineering, mechanical engineering, chemical engineering and agricultural sector. These are highly acclaimed for their ease of use and maintenance. These equipments facilitate easy installation as well. The user-friendly design and construction of these equipments makes them highly suitable for rugged use. These sturdy and durable equipments boast of an efficient service life. We supply these to clients at affordable prices within the specified time-frame. The presence of modern manufacturing technology has made us capable of addressing the bulk and urgent requirements of clients with utmost ease. Our infrastructure facility is at par with international standards and has played a major role in garnering us a loyal client base. The presence of a dedicated and highly efficient team has led us to venture into the manufacture of water supply plants, water treatment plants, heat transfer equipments and laboratory equipments. We are also involved in merchant exporting business. The fact that repeated orders...

# CHEMICAL ENGINEERING LABORATORY EQUIPMENTS

Our Products

Double Water Distiller

Chemical Reactor

Enzyme Reactor

Sedimentation Studies Equipments

# ELECTRONICS LABORATORY EQUIPMENTS

High Resolution Oscilloscope

Distribution Trainer

Differential Protection Relay

Transmission Line Simulator

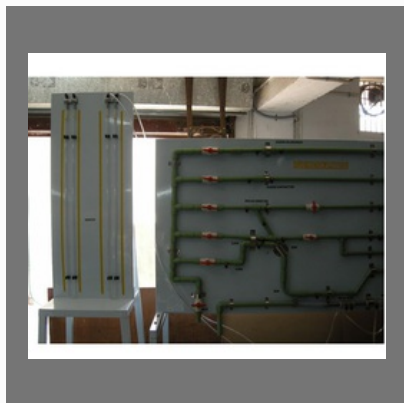

# MECHANICAL ENGINEERING LABORATORY EQUIPMENTS

CNC Lathe Trainer Machine

Flow Measurement Apparatus

Fluid Friction Apparatus

Filter Press

# CIVIL ENGINEERING LABORATORY EQUIPMENTS

Our Products

Computerized Venturi Meter

Fluid Friction Apparatus

Deodorising Unit

SS Water Distiller

# AGRICULTURAL LABORATORY EQUIPMENTS

Range Satake Rice Mill

Vacuum Ovens

Hammer Mill

Laboratory Refrigeration Unit

# MEDICAL FURNITURES

Emergency Trolley

Multifunction Remote Control  
Electric Bed

Medicine Rack

Hospital Medicine Rack

# AGRICULTURAL EQUIPMENTS

Leveling Blade

Work Bench

Bench Vice

Steel Scriber

# SAFETY EQUIPMENTS

First Aid Kit

Metal Closet

Safety Boots

# MICROSCOPY EQUIPMENTS

Binocular Microscope

Stereo Zoom Binocular  
Microscope

Inclined Microscope

Computer Compatible  
Microscope

# MICROTOMY EQUIPMENTS

Rotary Senior Microtome

Wood Microtome

Tissue Flotation Bath

Paraffin Embedding Bath

# HEAT EXCHANGER

U-Tube Heat Exchanger

Split Backing Ring Floating Head Type Heat Exchanger

Heat Exchangers

Lube Oil Coolers

# WATER SUPPLY & TREATMENT EQUIPMENTS

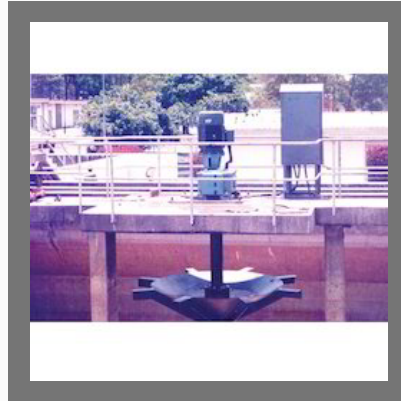

Autoclave

Dismantling Joints

Industrial Valves

Fixed Type Aerators

## OTHER PRODUCTS:

Gas Absorption Column

Automated Transformer Winder

Pitot Tube

Computerized Flow Meter Calibration Equipment

## OTHER PRODUCTS:

Grinder Agricultural  
Laboratory Equipments

Examination Couch

Vernier Depth Gauge

Metallurgical Microscope

## OTHER PRODUCTS:

Tissue Wax Block Storage Cabinet

Oil Heaters

Industrial Pumps

Glass Funnel for Filtration

# Factsheet

Year of Establishment : 1996

---

Nature of Business : Manufacturer

---

Total Number of Employees : Upto 10 People
